A word from the President

Many thanks to Bruce Nichols filling in on short notice when our guest speaker was unable to join us last week. The video presentation was certainly food for thought, once the equipment cooperated.

Over the weekend a total of 17 members and partners are attending District Conference in Wangaratta. We shall provide a report at Monday’s meeting.

On Monday, Sindy Kwok will address the Club about her fundraising efforts and will describe the project for which the funds are to be used as well as the work that she will personally be undertaking in Kenya. It promises to be fascinating and I encourage you all to attend.

President Tony
ORDER OF ST JOHN OF JERUSALEM
KNIGHTS HOSPITALLER AUSTRALASIA

Our Max Chester OAM, a longstanding member of the Knights of St John Hospitaller, was recently elevated to the rank of Commander of Justice of St John (CJSJ)

The Order is based in Malta, and is spread throughout the Christian world.

Max was originally invited to join the organisation, by our former past President of the Club, Bruce Skeggs OAM.

Max is involved in organising No. 2 Services each year, at the Maltese Memorial at the Shrine of Remembrance, as a Memorial to Malta, which was the most heavily bombed place on earth during the 2nd World War.
Max was the Architect for the Memorial.

hey Bruce hope that you are doing great. I have recently just got back from overseas (where I had a wonderful time). I'm sending you this email to give my greetings to you and to everyone from the Heidelberg Club. Also if you guys need any sort of help with events or anything I would be more than happy to volunteer in my spare time.
