Wednesday.**

First Quarter

First Quarter III

Tony McHugh felt that he was talking to the converted at our last meeting – I'm not so sure.

We all deal with obstacles in our day-to-day existence, but no two of us cope in exactly the same manner and the variety of behavioural and coping mechanisms outlined by Tony would seem to support the view that, as in all things, moderation is the key to ensuring life balance.

The Club has accepted an invitation to support the ONJ Walk and BBQ event once again this year. Wayne Dunstan, although going north later this week, is all over the logistics for the BBQ and already has everything in hand to ensure a smooth flowing Rotary BBQ team on show! (see the separate notice)

Our District Group 2 Cluster meeting, Monday evening last, focused on more interclub events and support. Group 2 Cluster is Chaired by Assistant Governor Bruce Anderson and attended by the Presidents of Heidelberg, Ivanhoe, Moreland, Pascoe Vale, Preston and Strathmore Rotary Clubs. Despite the Cluster's cross Council area makeup our "Banyule Rotary Clubs" initiative was discussed in length and considered a worthwhile focus on Local Government and Rotary Community co-operation and service delivery, with no downside to such an approach. In this regard we attended a follow-up meeting of the clubs concerned, last Tuesday morning and arrangements are in hand to convene a further meeting with Council representatives in early September.

And remember... Eagles may soar, but possums don't get sucked into jet engines!

Noel

PROGRAMME

Humour

The difference between genius and stupidity is; genius has its limits.
Albert Einstein

Thought for the Week

The word ambiguous only has one meaning.
