SECOND QUARTER I

The Club has been ticking along very nicely under Noel’s leadership.

Although the ONJ Wellness Walk was reported in last week’s COG, since then Wayne received a nice letter of thanks from Lauren Stewart, who is the Fundraising Events Manager for Austin/ONJ. Lauren also sent the photo below, taken on the 16th September. Nice to see Tracey, Doreen and new member Jenny Mulholland helping on the day.

On 21st September, a group of 8 Rotarians under leadership of Vocational Chair Geoff Cook, once again took part in conducting mock employment interviews for students of Ivanhoe Grammar School. We also participated in judging the Shark Tank presentations.

The Guest speaker on 24th September was John Walton on the International role of Rotary and it is believed that a special presentation was made to Smokey Dawson. More next week!
