A word from the President

SECOND QUARTER IV

Dick Smith, Gernmaine Greer, Bronwyn Bishop, “names that I can drop” and so Janet developed her behind the Badge presentation.

Life commenced during the later stage of WW II, educated on the north shore of Sydney - Roseville Public school; PLC Pymble then Sydney Uni – degrees in Psychology and English and a few others along the way.

Early employment experience via the Public Service as a Vocational Guidance Officer eventually years later with the education department spending time with McLeod High School.

Janet enjoyed hymns, especially tall, dark handsome ones from Trinidad. Having also spent some time “intelligence testing”, we are concerned that there will be nothing too demanding on that front for her at RCH.

Janet has also authored a number of English textbooks; articles for the Age and a few plays, maybe we could create a small 3 act comedy/drama for a Christmas Soirée?

From this club’s perspective, however it was Janet’s 7year relationship with Tom Brown that we feel may have been her most significant achievement.

And this entertainment was preceded by a presentation by two wonderful year 11 students from Ivanhoe Girls Grammar, whose attendance at the National Science Forum we have part sponsored. Caitlan and Linh, supported by their teacher Liz, spoke briefly about their expectations and we now look forward to hearing how their outcomes matched such expectations upon their return.

Additional highlights - Nice to see Cynthia Balogh along again. Also, good to know that Tom P will be keeping pace with the rest of us!! Jenny M now knows who she is at lunch and Tony Bowlened over the raffle AGAIN, enough I say!

Let’s all Lift the Lid off Vasko’s in good humour and hats this week!

And please note your diaries regarding our club meeting 2814 of Nov 5 that has been transferred to Wednesday evening November 7th, 6.00 for 6.30pm at the Rosanna Bowling Club, a regular meeting with a little horsing around on the side!

Noel

And….. Why is it at school reunions you feel younger than everyone else looks?

Is this a “fake photo” as in Pres Trump’s “fake news”? It looks like Wayne is trying to poke a hole in the radiator of the police vehicle, not put screws in the number plate.
