SECOND QUARTER XI

July to December 2018 – 6 months – well feels more like 6 weeks!

It has been a very interesting and fun six months and I can only hope that members have found it as stimulating as I have.

Certainly, I chaired more meetings than I should have, “Mr Two Hats” however, our new Director of Programme will hopefully keep me under control whilst dobbing in many others as Chair of the Day.

The thing that impresses me most about our club, as I described it at a Group 2 Cluster one evening, is that we may not do a lot of big projects but “things happen as if by osmosis, there doesn’t seem to be too much talking or even organising but stuff just gets done”.

Further, one of the RYLA attendees said after our last lunch that they are visiting a lot of clubs, which all operate similarly but yet are different, but this (RCH) feels really cohesive and genuinely connected like a large family. Well I could not have said it better! And how good is the RYLA outcome for these leaders of tomorrow!

So next is our Christmas Cocktails breakup which by all accounts will be very well attended. What’s next - Christmas celebrations with family and friends and then the New Calendar Year. Melbourne comes alive again with the Kooyong Classic, the Australian Open, the F1 at Albert Park and most exciting of all Rotary Heidelberg Back to Business 2019 with a BBQ Luncheon, commencing at 12.00 noon, Monday February 4th at Les Baux.
