FOURTH QUARTER IX

### Vive la France

A light and entertaining presentation from French Exchange student Eleonore on her eleven months, so far, in Australia was the perfect accompaniment to a most enjoyable Rotary family dinner meeting last Monday evening. The Old England Hotel menu continues to impress and was quite tummy warming on such a chilly evening, it would seem that winter has arrived. It was most pleasing to enjoy the company of members partners and friends and also to catch up with Brownie.

Our Senior Sergeant performed admirably, considering he and Shelagh had only arrived in Melbourne on that mornings ‘red-eye’ from Perth, thanks Smokey. Cookie was also with us again after a couple of weeks fishing and according to him they caught quite a few good-sized fish …… Well he is a fisherman.

Plans are progressing towards our ‘Carousel’ changeover dinner with on-line booking arrangements now in place, courtesy of Peter Carr and Secretary Bruce. This arrangement is similar to the booking set-up for Conference a few years ago. (see separate notice herein)

Programme Convenor Cynthia has identified a couple of vacancies in our speaker programme for the next 6 months, should any member have suggestions as to topics or speakers please let Cynthia know.

See you all next week at Vasko’s.

EGYPT ANYONE? (For the more adventurous)

Dear fellow Rotarians around the world,

It is this amazing time of the year again when we connect with our Rotarian friends around the world regarding our international project: Cross Egypt Challenge.

We appreciate very much the support many of you have shown in the past few years. We have had the pleasure to welcome many Rotarians to our Cross Egypt Challenge who also have helped us raise awareness and support our beautiful country, Egypt.

This year again, the members and the board of the Rotary Club of Alexandria Cosmopolitan - District 2451 – Egypt are happy to renew their invitation to you and the members of your respectful club to learn more about and share our Rotary organized initiative, “Cross Egypt Challenge” that aims to promote tourism to Egypt and prove that Egypt is still safe for tourism.
