## Carousel I

Fellow Rotarians

The world is very different now compared with when our founding members first met. Yet our focus of Service Above Self remains the guiding principle of Rotary International and Rotary Heidelberg.

Our challenge is to assist those troubled and less fortunate than ourselves by dedicating our best efforts to help them to help themselves.

With this in mind, I present the Rotary Club of Heidelberg Board and Committees for our 2019-2020 year. We have streamlined our structure and created three substantial committees, thereby facilitating wider input and cross fertilisation of ideas whilst providing greater depth in numbers when delivering desired outcomes.

In other words - more members involved, supporting and relying on each other to deliver our many levels of service to our community.

We look forward to another year of fun and friendship, underpinned by energetic involvement and personal commitment to the success of Our Great Club.

Noel
