FOCUS 14

The Dining Room at the Old England Hotel proved a nice change from the Gallery for our last meeting. We gave the menu a thorough workout and touched up the bar just a little.

All in all, a very pleasant evening of fellowship added to which Lorna Luke presented her impressions of the recent Zone 8 Conference in Christchurch New Zealand, previously known as the Zone Institute, this Zone 8 Conference is now open to all Rotarians. The conference proved to be an opportunity for Rotarians to show their support for the people of Christchurch, especially after the earthquake and the recent tragic events that impacted so many people, and to see how Christchurch has been reinvigorated and what it is continuing to be done after the earthquake, including some very innovative restructure and inground concrete support for the footings and foundations of landmark buildings.

Lorna said that RI President Mark Maloney and wife Gay inspired those in attendance with his committed approach to our global organisation, supported we understand with a generous dose of very good humour.

The 2020 Zone 8 Conference will be held in Alice Springs – what an opportunity for Sir Kent and Lord Cook to lead an RCH expedition to the Red Centre.

- The next District 9790 Conference will take place on 20-22 March 2020 at the Albury Entertainment Centre. There will also be a sports day and dinner just prior to the conference on Thursday 19th March. This day will also correspond with the end of the Ride to Conference which begins on Saturday, 14th March. Planning is well advanced and registrations will be open very soon.

See you at Vasko next Monday.

Chair nominations for RCH meetings 2019 - June 2020

Dear all,

All Members please note that in the adjacent list you will find a *draft* of the nominated Chairs for each Rotary Club of Heidelberg meeting until June 2020. It is the policy of the Club that the Chair rotates amongst all the Members to give everyone a chance to shine. It is the responsibility of each member to ensure they are ready and able to Chair on the nominated day.

- If the date you are scheduled to Chair is unsuitable due to a planned absence you will have a two-week trading/swap period effective from 30 September 2019 to 14 October 2019 to trade or swap meetings with another member.

- For unplanned absences due to illness or unforeseen circumstances, the nominated Chair can trade or swap with another member up to 24 hours before the meeting.

- The nominated Chair is responsible for agreeing and finalising alternative arrangements.

Once confirmed and finalised, please email changes to c.balogh@chambersbrook.com.au by 15 October 2019. The final list will then be circulated and added to the calendar and website.

Many thanks for your cooperation.

Kind Regards,
