NEXT MEETING MONDAY 3rd AUGUST, 2020 at 1.00PM via Zoom
Discussion on Ethics - Convenors our Legal Eagles Tony and Cynthia

CAPTAIN COOK - President 2020-2021

From the Bridge:

Our “social” meeting on 27th was attended by a small but select number of the ships company

A dozen in total, but augmented by “wenches” Lorna Luke and Tracey Sturgeon and briefly by “wenchman” Mulholland while pointing Jenny’s carrier pidgeon in the direction of the mess deck, Vice admiral Emma joined us again along with Toto and I trust they enjoyed the frivolity

Capt. Biscuit had the enjoyable task of presenting Rear Admiral “Slow Hand” Luke with a “Paul Harris Fellow Pin with 3 sapphires” for his contribution to the Fleet’s bullion coffers, held in trust by Rotary Foundation. “Slow Hand’s” ongoing committed support of Foundation is well known and well supported by “wench” Lorna, for which the ships company thank her deeply - (the Captain and crew are convinced that “the support” is rather very much more a joint effort).

Ships “Yeoman of the powder room” Sir Wain provided us with an update on the installation of the freezer and cool-room at Walwa - which is now complete and running. The club also received an expression of heartfelt thanks from a board member of the Walwa Bush Nursing Centre. *Cont.*

From the Bridge cont.

Chaplain “Silver” Prout provided an update on the 3 houses provided for those “cast adrift” and advised the project has proved most successful – a further house has come up and “Silver” was in negotiations with BCC to renovate it (little cost involved) providing a further sailor or 2 with accommodation. At present the leases on these 3 (or 4) properties officially expire in March 2021 however, as the construction of the major housing complex adjacent is still in the planning stages, it is hoped the leases can be significantly extended.

Wench Tracey advised that “Long John Caviar” (not her) was the person responsible for keeping her cabin shipshape, maintaining the galley’s outputs and dusting the “silk orchid”. The Capt. will have a discussion with Long John and advise him to keep his exploits in this area confidential lest other of the ships company’s wenches find out.

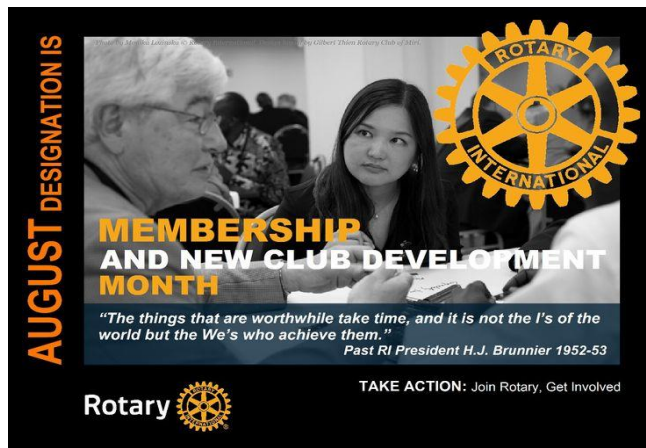

A number of yarns were told with much laughter ensuing. The party continued until approx. 18.30 bells with much gorging of food and swilling of a variety of ships grog and other unhealthy beverages.

The company is required on the quarter deck at 12.25 bells on 3rd Aug, when “Canon Ball Roller “Balls Bowlen” will lead us through a perplexing “ethics” scenario (or 2) to exercise our minds.

Capt. “Biscuit” Cook

The updated My Rotary is coming soon

An updated My Rotary that's faster, easier to navigate, and accessible on your mobile devices launches later this month. What can you expect from this improved site? Quite a bit.

Here are five ways the new My Rotary will make your job as a club officer a bit easier:

1. **Streamline accounts with ease.** The updated registration process makes it possible to match existing records and eliminate duplicate accounts for the same person.
2. **Quick access to your club pages.** When a member signs in, their home menu will provide access to pages that display information about their club, including its finances, goals, and reports. As a club officer, you can easily update meeting information, add club officers, and make changes to your club's roster right from your homepage.
3. **Add detailed meeting information.** Not only can you add the time, place, and format of your club meetings, you can also list the many ways your club interacts. This level of detail makes the new meeting search capabilities more robust.
4. **Find members and clubs quickly.** Looking for a Rotarian you met at the Rotary International Convention? Thinking of visiting another club's meeting during your vacation? You can use My Rotary to search for a member or club. Member profiles may include a person's name, club, role, and contact information, depending on their settings. Club profiles, which are displayed on a map, include meeting times, locations, and the meeting language.
5. **Secure your personal information.** When you create your member profile, you determine what information you want to share and with whom.
