KICK "OFF"

Another well attended meeting. Was it because District 9790 Governor Malcolm Kerr was in town or was it to catch up with our old mate Bruce Anderson? I got the impression that members were impressed with Jill Kerr’s targets for action during this Rotary year. Certainly it was an enjoyable occasion for those present and particularly for guest Jenny Mulholland who took out the raffle.

Members will have already received a couple of emails from me regarding next Monday’s meeting, needless to say it may offer considerable opportunity for Rotary Heidelberg and our sister Banyule Clubs, who are supporting this initiative.

Our meeting scheduled for 13th August will be focussing on the strategies being considered for development this year. Steering committees developing the concepts towards achieving measurable/recognisable outcomes should provide for some fun and outside the box thinking. We all look forward to entertaining presentations from each group before we close the meeting.

Should be fun!

So...If everything seems to be going well – you have obviously overlooked something.
